

The Internet-based TOEFL Test

Scores and Score Reports

How do I get my scores?

Your TOEFL test payment entitles you to

- ▶ One printed and one online examinee score record up to four official score reports that ETS will send directly to the institutions or agencies you designate when registering for the test

Scores are posted online 15 business days after the test date (with a few exceptions) and then mailed to you and your designated score recipients

How do I order additional score reports?

You can order additional iBT score reports online, by fax, or by mail, and have them sent to institutions you did not identify when you registered to test. You need your registration number to place an order. Credit cards are required for online and fax orders.

To order by fax, print and complete the TOEFL® iBT Score Report Request Form and fax it with your complete credit card information to 1-610-290-8972.

To order by mail, print and complete the TOEFL® iBT Score Report Request Form and mail it with your payment to:

ETS-TOEFL iBT

You can have additional official score reports mailed to institutions you did **not** identify when you registered to test. Requests can be made online, by mail, or by fax.

How Long are Scores Valid?

TOEFL scores are valid for **two years** because language proficiency can change considerably in a relatively short period of time. Scores more than two years old cannot be reported or verified.

If you took the TOEFL test more than two years ago and need to submit scores to an agency or institution, you must take the test again to have your scores reported.

Scores are posted online 15 business days after the test date (with a few exceptions) and then mailed to you and your designated score recipients. You can view your scores online for free.

To view your scores online, you need your user name and password. Unlike the computer-based version of TOEFL®, you will not receive an unofficial score at the end of the testing session.

ETS will send the examinee score record to you at the most recent address you provided. If the postal service returns your score record as undeliverable, TOEFL Services will send it again only if there is a new address on file. If your address changes after you take the test, go [online](#) and update your profile or contact [TOEFL Services](#).

Test results cannot be given any sooner than 15 business days after the test date. Allow 7 to 10 days for delivery of mail within the continental U.S. and additional time for delivery to other areas.

Note: Test centers do not provide receipts or printed scores for the test.
